Have you taken the Brain Gym® Introduction? Do you want to know the rest of the Brain Gym® activities/movements? Do you want more classroom strategies that can increase learning capacity, and self-responsibility as well as self-esteem? We all hear regularly that movement is one of the most important factors for using all the different areas of the brain to increase learning. Brain Gym® is "Moving with Intention." The results can be spectacular. Children want to be acknowledged and applauded for good work. Brain Gym® helps them notice what they need and get themselves back on track. Come have fun and learn how school and life can have more ease and joy and be less stressful—for everyone!

Presenter: Beth Stoddard, MBA, is a licensed Brain Gym® Instructor and educational kinesiologist who, in addition to having a private Brain Gym® practice in Portland, travels and teaches throughout Maine. She has taught, coached, and consulted since 1960 and celebrates the many ways that Brain Gym® facilitates learning. Her website is www.TrainTheBrain.Biz.
