This workshop is designed for those professionals who need an introduction to the basic rules of administration, scoring, and interpretation of the WJIII COG Battery and WJIII ACH Battery. This training is designed for those familiar or unfamiliar with the WJ-R. Practitioners would benefit from taking both COG and ACH training even if they administer only one of the batteries. NOTE: Trainees are asked to bring test books, test records, and related test materials to each training session.

- ♥ Learn the administration and scoring of all tests, with a particular emphasis on tests new to the battery.
