***MATH! More Than Just Numbers: 10 Strategies  
for Supporting Elementary Mathematics Learning***  
**March 18, 2010 (Registration Deadline: March 11, 2010)**  
**4:00 – 7:00 p.m. (Registration Time: 3:30 p.m.)**  
**University of Maine at Presque Isle, Campus Center**

Spend an evening with other interested colleagues exploring, clarifying, building upon, and enhancing your understanding of strategies that support elementary math students. We will use interaction to learn from each other and find out what we are doing to support math learning in our schools. You will leave with 3 things you can do on Monday that will enrich your students' development in this challenging subject area.

By the end of this session, success will look, sound, and feel like:

- ♥ A pocketful of strategies for facilitating elementary mathematics learning.
- ♥ A clearer understanding of what it means to support and develop a learner's math learning.
- ♥ How to coach your students to use strategies for math learning.
- ♥ Feeling renewed, re-energized, and revitalized from sharing a learning experience with your professional peers.

**Presenter:** Corda Ladd Kinzie is fun to work with, and passionate about learning and teaching. She is a master teacher who has conducted many professional development activities designed to enhance teaching and student learning by differentiating instruction using Celebratory Learning attributes and strategies. Corda has a systems view of the change process which allows her to create transformative learning environments.

**Workshop fee of \$65.00** includes fabulous munchies, handouts, and a light supper. Discounts available: You will receive a \$5.00 discount for registering online using C-vent. Our cancellation policy is 72 hours prior to the event. You will be expected to pay if you do not attend and cannot provide printed confirmation of your cancellation. If you are a full-time student enrolled in an education degree program, contact us about additional discounts.

**Three Clock Hours** will be awarded.

**Co-sponsors:** Maine Support Network, the Maine Chapter of the Council for Exceptional Children, and the Central Aroostook Council on Education.

**On-site facilitator:** Cindy Marquis, Aroostook Regional Facilitator.

**This workshop is designed for** educators, parents, and other interested parties.

**Directions:** FROM THE SOUTH: Take exit 302 off I-95, the Houlton/Presque Isle exit, and continue north on U.S. Route 1. The campus is on your left as you enter Presque Isle, 40 miles north of Houlton.

FROM THE NORTH AND WEST: If crossing the border at Edmundston/Madawaska or St-Léonard/Van Buren, proceed south on U.S. Route 1 into Presque Isle. Continue on Route 1 through the downtown area and the University will be up the hill on your right.
